As a part of expanding and reaching as many girls as possible, the Girls on the Run Chippewa Valley is proud and excited to announce that we will be expanding into Pepin, Dunn, Trempealeau, and Buffalo counties. As the GOTR vision states, "We envision a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams." We will be able to further accomplish this vision through the extension, and we look forward to reaching, serving, and empowering more girls in these counties.
